

## **LLOYD'S REGISTER TYPE APPROVAL**

**Issued by: Rotterdam Technical Support Office**

**Issued to: Praxis Automation Technology BV, Leiderdorp, The Netherlands**

**For: MEGA – GUARD, Integrated Alarm, Monitoring and Control System**

**Type: G-Data, Maxi/Mega Guard Pro-Series and Maxi/Mega Guard E-Series**

The undernoted documents have been reviewed for compliance with the requirements of the Lloyd's Register Type Approval System Procedure TA14 Version 03 (July 2017) and this Design Appraisal Document forms part of the Certificate.

### **APPROVAL DOCUMENTATION**

98.6.049.802-F01-Model Control Processor E-series 4xLAN  
98.6.049.802-M01 Control Processor E-series 4xLAN  
98.6.030.804-F01 DIN IO-Module 24ssdo (nav.lights bulb-LED)  
98.6.030.804-M01 DIN IO-Module 24ssdo (nav.lights bulb-LED)  
93.0.990-F01 HCS Operator Control Panel

**Supplementary Type Approval Terms and Conditions**

*Type Approval certifies that a representative sample of the product(s) referred to herein has/have been found to meet the applicable design criteria for the use specified herein. It does not mean or imply approval for any other use, nor approval of any product(s) designed or manufactured otherwise than in strict conformity with the said representative sample.*

*Type Approval is based on the understanding that the manufacturer's recommendations and instructions and any relevant requirements of the Rules and Regulations are complied with.*

*Type Approval does not eliminate the need for normal inspection and survey procedures required by the Rules and Regulations. Lloyd's Register EMEA reserves the right to cancel or withdraw this Type Approval Certificate in accordance with the Lloyd's Register Type Approval System Procedure.*
